

Student Publicity Permission Form

Lancashire Education Business Partnership (LEBP) provides a wide range of experiences for young people and adults. To promote our events and celebrate achievements we would like to use images of, and quotes from, attendees in publicity material (paper, electronic, television and radio). To avoid any misunderstanding, please tick the appropriate box below to indicate the nature and level of the permission that is appropriate for the circumstances of your school.

The students who are attending the event **can** have their pictures taken and used along with any quotes they may give. Their names **can** be used.

The students who are attending the event **can** have their pictures taken and used along with any quotes they may give. Their names **cannot** be used.

The students who are attending the event **cannot** have their pictures taken

Any exceptions to the box you have ticked must be listed below e.g. names of specific students that cannot have their picture taken.

At events where third party press representatives are in attendance (e.g. newspaper photographers), LEBP will endeavour to inform them about the relevant permissions, however, the responsibility to protect students ultimately remains with the school.

I (insert name) give/refuse* permission for pictures of students from my school to be taken and used by Lancashire Education Business Partnership in publicity material as indicated above.
